

Colegio de Sta. Ana de Victorias, Inc.

Logo

The logo is octagonal in shape. An octagon has eight equal sides. Every student has an equal chance to quality education in Colegio de Sta. Ana de Victorias. This is consistent with the school's mantra: "Bringing quality education closer."

Both Hands are God's. God works through the school's Board of Trustees and Members, Officers, Faculty and Staff. The Hands lead the students in their journey to a bright future. The striped triangle is the road or steps toward the sun.

The book represents quality education. The latter is the means to a bright future. The laurel leaves connote wisdom.

Colegio de Sta. Ana de Victorias started operations in Year 2011.

Everything leads to the sun. The sun is the bright future.
